MANUFACTURER

Thrislington Cubicles, Prince William Avenue, Deeside, Flintshire, CH5 2QZ.
T: +44 (0)1244 520 677
F: +44 (0)1244 535 670
E: info@thrislingtoneducation.com

SPECIFICATION

Overall standard cubicle height: 2000mm with 150mm floor clearance.

FRAMEWORK

Full powder coated aluminium frame. Extruded aluminium headrail and vertical posts. Lock locates directly into vertical post sections.

DOOR

15mm moisture resistant, high-density chipboard core, faced with 1.5mm GRP in specified colour and edged with extruded aluminium trim. Supported on glass filled nylon foot, with height adjustment, incorporating rise and fall open or closing mechanism. Door pivots using full width through fixed channel, between foot and aluminium head rail, with anti finger trap clearance on pivot side of door.

DIVIDER

15mm moisture resistant high-density chipboard core, faced with 1.5mm GRP and edged with extruded aluminium trim. Supported on glass filled nylon foot, with height adjustment.

FITTINGS

Glass filled nylon lock, which locates directly into aluminium framework, with emergency release facility. Extruded aluminium channel brackets with allen key head through fixings for all wall, door and panel fixings.

FINISHES

Frame: Black or light grey powder coated
Door: 1.5mm GRP from standard GRP colour range.
Divider: 1.5mm GRP from standard GRP colour range.
Edge trim: Black or light grey powder coated aluminium.
Foot and lock: Black or light grey glass filled nylon.
